WHY DOES IT MATTER?

The job market is changing fast and skills gaps are growing, industries are evolving. By working together, we ensure people are trained for the jobs of today and tomorrow.

WHAT IS A SKILLS PARTNERSHIP?

It's a game-changer! Businesses, education providers, and public authorities join forces to equip people with the right skills for today's industries.

WHY GET INVOLVED?

Stronger Workforce:
Upskilling and reskilling create job-ready professionals

Global Opportunities:
Connect with international partners & expand your reach

Funding & Support :
Access EU grants & investments for skills development
